Emergency Response Flip Charts

These handy flip charts are great for easy and quick reference for emergency procedures. Perfect for schools, nursing homes, warehouses, government agencies, hotels, hospitals, restaurants, and many other institutions. Crystal clear vinyl pockets load from the top and cascade down.

Bound at the top with a white plastic spiral. Polyethylene white backer has a hole at the top for easy hanging. Standard pocket configuration of 6,12,16, and 18. Extra length at the bottom allows for an imprint. Pricing includes one-color imprint.
