- Light or bright ink colors on dark material are difficult to match. Consult factory for options.

ARTWORK REQUIREMENTS

All Pricing is based upon the customer furnishing artwork. Artwork requirements vary depending on the decoration and product.

Silk Screening:

We need art on disc. **EPS files saved as curves in PC Format.** Please request an electronic template. Any modifications necessary such as enlargements, reductions, typesetting, halftones, etc. will be done at additional cost plus proofing charges. Set up is \$37.50 (G) plus proofing charges per color.

Any computer work will incur additional charges. Art files under 3MB may be emailed to art@looseleaf.com.

Copy of artwork must accompany order.

Color Matching: \$45.00 (G) for each PMS or existing product color match. We assume PMS coated unless specified to the contrary. Light or bright ink colors on dark material are difficult to match.

Change of Copy: \$81.25 (G) per color [must be same capacity].

Change of Imprint Color: \$25.00 (G) per color.

Bleeds: Not allowed on many off-the-shelf items. Always check first.

Halftones/Tints: A simple round dot (65 lines per inch) is required. One color art must be prepared at 22.5° from horizontal to minimize the possibility of moiré.

Screens: Screens must be between 30% and 70%.

Union Bug: Available on most of our silk screened products. Call for custom quote.

Set-Up: \$45.00 (G) per color.

Proofs for Silk Screening only:

PDF Proof	\$18.75 (G) per color
Screened on Vinyl Material	\$93.75 (G) per color
